

—THE BEST OF THE WEST!—
~CALIFORNIA-OREGON-WASHINGTON~
—1,000 MILES IN TWO WEEKS—

JULY 4-17, 2009

You are invited to be a part of history as we celebrate the centennial of an epic adventure by riding from Santa Rosa to Seattle. Come with us as we retrace the path of Vic McDaniel and Ray Francisco, two young Santa Rosans who set out to ride to the Alaska Pacific Yukon Exposition of 1909, equipped with their bikes, bedrolls, and a sense of adventure. **Wheels North** will retrace their route as we ride 1,000 miles across three western states in two weeks to raise funds to find a cure for Histiocytosis.

Joining Wheels North

There are many ways to be a part of Wheels North:

- Ride with us! Wheels North riders will have full sag support, lodging every night, and transport for your baggage and gear. Ride for the entire two weeks, or as little as one day.
- Join our support crew! See California, Oregon, and Washington at a cyclist's pace without ever turning a pedal.
- Donate! Our ride will raise funds to help fight a deadly disease. Help us reach our fundraising goal.

More Information

Learn more about Wheels North at our web site: www.wheelsnorth.org and our blog: <http://wheelsnorth.blogspot.com>

You can learn about Histiocytosis and the Histiocytosis Association of America at www.histio.org
